[???

(all the better to)

All the better to hold you down

Slap my wrist with the sweet consequence

What are we, what are we to do

What are we to do with you

What are we, what are we to do

What are we to do with you

I am, I'm ready to be new again

I'm ready to hear you say who I am is quite enough

(Quite enough)

I am, I'm ready to be new again

I'm ready to hear you say who I am is quite enough

(Quite enough)

Monster with sharp teeth you have

(all the better to)

All the better to call you out

[???

You don't know where you've been

Well you don't where I've been

What are we to do

What are we to, to do with you

I am, I'm ready to be new again

I'm ready to hear you say who I am is quite enough

(Quite enough)

I am, I'm ready to be new again

I'm ready to hear you say who I am is quite enough

(Quite enough)

What are we to do with

What are we to, to do with you

What are we to do with

What are we to, to do with you

Don't know where I've been

I am, I'm ready to be new again
I'm ready to hear you say who I am is quite enough
(Quite enough)
I am, I'm ready to be new again
I'm ready to hear you say who I am is quite enough
(Quite enough)

You don't know where I've been [x7]
(I am I'm ready to be new again)
(What are we to do with you)
(I'm ready to hear you say who I am is quite enough)
(You don't know where I've been)
