And I'm not so sure  
If I'm sure of anything anymore  
Well this is the last night (this is the last night)  
That you'll be keepin'  
Secrets from me

Just hit the lights before you leave  
You know, the million things you had to say  
Sorry just, just might have found it's way in there  
Somehow, someway  
But don't worry sweetie  
Cause I already know

And I'm not so sure  
If I'm sure of anything anymore  
Well this is the last night (this is the last night)  
That you'll be keepin'  
Secrets from me

And you're so guilty it's disgusting  
He's been sneakin underneath your sheets  
And your hands  
Have been in places that they probably shouldn't go  
But don't worry sweetie  
Cause I already know

Regardless if my pictures  
They don't line your mirror  
Regardless you know that  
I'll still wait for your call

Regardless if my pictures  
They don't line your mirror  
Regardless you know that  
I'll still wait for your call

(this is, this is the last time I still wait for your call)  
Regardless if my pictures  
They don't line your mirror  
Regardless you know that  
I'll still wait for your call

(honestly, honestly, honestly, honestly)
