So late and I wonder,
If youre still thinking about me,
Sixteen years old and pondering,
Heartbroken easily,
Please save me,

And you were,
Heavens gift to the world,
You've got to live on!

Empty rooms keep on showing,
Destructive thoughts take over hand,
The darker instinct is growing,
If I cant have you no one will,
If I cant have you no one will,
Please save me!

And you were,
Heavens gift to the world,

You've got to live on,
Forget about her,
You've got to live on,
You live and you learn,
You've got to live on,
Tear her apart tonight,
Tonight!
Tonight..

Here comes the pain,
The blood runs on your pale white skin,
Here it comes again,
The angel is no longer with,

Save me!

You've got to live on,
Forget about her,
You've got to live on,
You live and you learn,
You've got to live on,

Tear her apart tonight,
Tonight!

You've got to live on,
Forget about her,
You've got to live on,
You live and you learn,
You've got to live on,
Tear her apart tonight,
Tonight!
Tonight...
