I was barely breathing  
I was fighting you in my room  
The heart just keeps on bleeding  
You feel so bare you know it's way too soon

But I've tried and it's time to confess  
Was it I, was it I, who broke you down last night  
Do you mind, I can't find  
Not a single ground  
Will you give it one last try  
To be alive

Days flow into horror  
Say your prayers for what it's worth  
Take your last look forward  
Lonely visions watch them burn

But I've tried and it's time to confess  
Was it I, was it I who broke you down last night  
Do you mind, I can't find  
Not a single ground  
Will you give it one last try

There's so much we can build on  
So much to loose  
It seems that everyone is tired  
This is nothing I choose  
Maybe tomorrow is different I don't know how  
'Cause the only word in my mind is goodbye

Was it I who broke you down last night  
Do you mind, I can't find  
Not a single ground

Was it I?  
One last try  
(repeat x3)

Was it I who broke you down last night  
Do you mind, I can't find  
Not a single ground

(repeat x 2)

Give me one last try  
To be alive
