VERSE

Everything you have is everything you give
You've thrown yourself into a place where no one let's
you in
You handed me something but I threw it back
I lost it, I need it

CHORUS

Hey there, are you listening
I've lost my place again

VERSE

Hanging from a tree it's something left of me
But I can't go back there
Down from here you're so much more
But everything we need is loved here, forgot there

CHORUS

Hey there are you listening
I've lost myself again
Now I would never turn away again
Tomorrow I'll be there

BRIDGE

The rest is knowing you are better than anything I ever
was
So hear me
And take me
Forgive me
Break me

Take me back
