She bathed in blood. How apropos
Became a witness to the suffering
Skinned alive even took their soul
Close my eyes
By the moonlit darkness legend grows
Torture only child's play
Sworn to pledge and gather peasant slaves

Hey, I want to live forever
I'm in love with the dark horizon
In the moonlight I will bathe

She placed her hand on the heart and swore
Every last one of them
Will bring me youth, beauty, bliss galore
Close my eyes
And the basin was filled every night she dined
In the den of iniquity
And my sorrow filled reverie
Close my eyes

Hey, I want to live forever
I'm in love with the dark horizon
I'm in love with madness
Hey, I want to live forever
I'm in love with the dark horizon
In the moonlight I will bathe

Death comes to us all
I won't wait

She bathed in blood that much you know
Of the demon countess Bathory
Through these cemetery gates we go
With my eyes closed

Elizabeth
She will not bathe alone
Elizabeth
She will not bathe, will not bathe alone
Elizabeth
Cannot save your soul

Elizabeth
She will not bathe will not bathe alone
ELIZABETH...
