Fifteen I'm strung out  
Once again and kicked out  
I think well I'm on my own,  
I'm on my own now,  
Sixteen and I said goodbye  
To those I knew I'll never see  
Well I can't see home  
I can't see home now  
When I look at the path  
That I chose and I'll say to you

Live Fast Die Young  
We'll stay out on the run  
So live fast and die young

Live Fast Die Young  
We'll stay out on the run  
So live fast and die young

Seventeen I'm sleepin on the  
Streets and no hope  
I think well I'm in the cold  
I'm in the cold now,

I look to a god I said  
In my own life  
I'll never see well  
I can't see home  
I can't see home now  
When I look at the path  
That I chose and I'll say to you.

Live Fast Die Young  
We'll stay out on the run  
So live fast and die young

Live Fast Die Young  
We'll stay out on the run  
So live fast and die young

We'll cherish every moment last forever,  
We'll cherish every moment now,

We'll cherish every moment last forever,  
We'll cherish every moment now,(x3)
