She said live young and leave a wake of beauty,
It's all I ever could have asked
Should have asked from you,
And I wont forget to write you
When I get there soon
Cause you'll be lying dead
From stab wounds to the
Neck and chest again,

*They found you covered up in blood,
Covered head to toe in blood*
Face first in a tale of awkward love,
*They found you covered up in blood,
She's bleeding, she's bleeding*

Gone with the stitching in her heart
Left out a silhouette that just wont
Heal and dying in your arms tonight

*this Dream, we die,
LOCKED AWAY,
With this blood, and this knife*
*this Dream, we die,
LOCKED AWAY,
With this blood, and this knife*

I know it's all just a bad dream now

So now midnight's here
You're all alone
They use this fear
It's all just a bad dream
And I can't seem to
Wake up from this 2x

*in my dreams, we die,
With this blood, and this knife*
*in my dreams, we die,

With this blood, and this knife now*

I know it's all just a bad dream now

(I know it's all just a bad dream now)
It's all just a bad dream now
(I know it's all just a bad dream now)
It's all just a bad dream now
(I know it's all just a bad dream now)

I say

This is the last time that
I'll ever get to see your face alive,
*They found you covered up in blood,
Covered head to toe in blood*
And I know that everyday's a new day
And my dreams will never die,
*They found you covered up in blood,
Covered head to toe in blood*

She said live young and leave a wake of beauty,
It's all I ever could have asked
Should have asked from you,
And I won't forget to write you
When I get there soon
Cause you'll be lying dead from dreaming
(nightmares)

So now midnights here
You're all alone
They use this fear
It's all just a bad dream
And I can't seem to
Wake up from this 3x
