Shaking like a dog shittin' razorblades,  
Waking up next to nothing after  
Dreaming of you and me  
I'm waking up all alone  
Waking up so relieved

While you're taking your time with apologies,  
I'm making my plans for revenge  
Red eyes on orange horizons  
If Columbus was wrong  
I'd drive straight off the edge  
I'd drive straight off the edge

Taking your own life with boredom,  
I'm taking my own life with wine  
It helps you to rule out the sorrow,  
It helps me to empty my mind

Making the most of a bad time  
I'm smoking the brains from my head  
Leaving the coal calling  
The kettle black and orange and red  
This kettle is seeing red

I've got a big fat fuckin' bone to pick with you my  
darling  
In case you haven't heard, I'm sick and tired of trying  
I wish you would take my radio to bathe with you,  
Plugged in and ready to fall

Plugged in and ready to fall  
Plugged in and ready to fall
