Walk straight into the light
Strapped down in the ambulance
Keep falling out of life
Near death this time
Holding on a thread
Lysergic ignorance
Has my wife been notified?
Oh dear your husbands dead

Hold my hand believe
My hell is burning bright
(I feel it change!)
I know eternally you shine

Hold my hand believe
My hell is burning bright
(I feel it change!)
I know eternally you shine

Can you feel my heart beat?
Pump harder find a pulse
Change veins with that IV
Oh please William breathe!
All I see are autumn leaves
Rain down on the ambulance
Still strapped to the gurney I
Crash crash I want my life!

Hold my hand believe
My hell is burning bright
(I feel it change!)
I know eternally you shine

Hold my hand believe
My hell is burning bright
(I feel it change!)
I know eternally you shine

Oh, sign of the times
This ambulance ride
Offer up this life

Wake up! Signs of life, hollow flesh
Wake up! Signs of life, wake the dead

Wake up! Signs of life, hollow flesh
Wake up! Signs of life, wake the dead

Yeah, hold my hand believe
My hell is burning bright
(I feel it change!)
I know eternally you shine

Hold my hand believe
My hell is burning bright
(I feel it change!)
I know eternally
You shine
