Another Day Comes Due
When I Look Back Into
All That I Didn't Do

And When The Night Is Through
Its When My Eyes Turn Blue
And Rain Down
And Look To You

And What You Have For Me
You've Got To Believe Theres Something More
In Just This Life Of Uncertainty
Opportunity is Knocking At My Door

(Chorus)
And I Dont Know Where To Go
All I Know
Is You're Takin Me
And Im Following Your Lead
I Dont Know Where The Road
Is Gonna Go
Or So Im Told
You Are Takin It With Me

I Wondered What Was True
I've Questioned All I Do
Because Of You
I Thought Im Through
With Innocence Miles Away
Im Taking Day By Day
Finding Strength
In All You Say

The Love I Found So Strong
The People Around Me Like My Mom
Im Finding Passage Through This Maze
And Im Finally Seein Better Days

(chorus)1x

Your Takin It With Me
I Am Following Your Lead

Your Takin It with Me
And I Will Go There With You Too

(chorus)1x

All I Want Is To Follow You
And Walk With You
In Love With You
Ill Go There With You Too

All I Want Is To Follow You
And Walk With You
In Love With You
Ill Go There With You Too
