Wendy...

(Stay away!)

... darling. Light of my life. I said, I'm not gonna hurt ya.

I'm just gonna bash your brains.

I'm gonna bash 'em right the fuck in, hehe.

Go!

This is for the godless and vilified

This is for the faithless soul

The last of human kind

This is for gutless and terrified

The end of the human race

To conquer and divide

We laugh, oh we laugh

Among the dead

Yeah, I'm not afraid to die

We walk among the dead

I just stop breathing

Among the dead

Yeah, wake up, wake up alive

We walk among the dead,

We're unafraid to die

This is for the godless and vilified

This is for the human race

They try to exterminate

We laugh, oh we laugh

Among the dead,

Yeah, I'm not afraid to die.

We walk among the dead,

I just stop breathing.

Among the dead,

Yeah, wake up, wake up alive.

We walk among the dead,

Unafraid to die, ooh

This is a call to every kid on the street

In search of food and shelter, to every gay and lesbian

Who need not suffer some divine dictatorship

instruction

That was given to barbaric semi illiterate tribe
In the desert two thousand fucking years ago,
This song is to stand up and say "No more!"
Faith is the enemy of reason and religion
Will be the end of us all.

Among the dead,
Yeah, I'm not afraid to die
We walk among the dead,
I just stop breathing.
Among the dead,
Yeah, wake up, wake up alive
We walk among the dead,
We're unafraid to die
Among the dead,
Yeah, I'm not afraid to die
We walk among the dead,
Godless and Immortal

Among the dead,
Not afraid to die
We walk among the dead,
Godless,
Godless, Immortal!
