No game, for no-names

On the mic I spit flames, rockwells to janés

I'm the nicest without me in the game

It's a crisis - I control all mic devices

Scratch and e yo, we keep shit poppin

Control the mic, keep spittin and keep droppin

Lose 'em or bruise 'em, ruin 'em

Keep the madface screwin 'em

Keep pursuin 'em, keep doin 'em

All night til the crowd start booin

And when we get thumped by uh, nuf and clue and them

Yo, I keep shit comin from the bassment

Make hardcore cats take the route that mase went

Not the god, but just plain quick

From fuckin with that d-e-f squadron shit

This is my house, I told you before

Trespass on my shit, I catch you at the door

Jump off the rail, from the second floor

And kill you in here, without breakin the law

I do 'em, do 'em, do 'em somethin awful

I do 'em, do 'em somethin awful

I do 'em, do 'em somethin awful

I do 'em, do 'em somethin awful

Dj scratch came with somethin mean

My jewels be gold, dough be mitch greene

[dj scratch] awwwwwww shit!

I fucked up and did somethin stupid right there

{*mumblin*}

[erick onasis]

Let's go!

Scratch came with somethin mean

My jewels be gold, dough be mitch greene

Rock air nike's with a ? ? jean

Fresh black .45 tool by the spleen

Yeah, who wanna abdul like kareem?

I'm in the game of death, I'll cave your chest

Yo scratch got the beat pumpin - iron

Reppin in sets of ten, I catch my wind
So I can, thicken for those who thinkin me hard-est
No forgivin, I'm leavin 'em scared
Pull you card, jump, go 'head catch a nitfit
You a bitch walkin around with smudged lipstick
I catch wreck cause I'm better than
Anyone bring it south with the mexican
Boy I bake like ovens, refresh like tropical plug-ins
Out the wall I'm ready to brawl
Siamese gat spittin, y'all hold y'all gats sittin
Take care witcha hardware
Are you a dope mc or relevant?
All y'all lightweight; me - I'm elephant
Top that! sy scott, khyree and me
Meet the new arsenal nigga, for 2g
I do 'em, do 'em, do 'em somethin awful
I do 'em, do 'em, do 'em somethin awful
I do 'em, do 'em, do 'em somethin awful
I do 'em, do 'em somethin awful
Yeah, yeah.. word up..
