I just wanna chill and twist a lot
Catch suns in my 7-45
You drive me crazy baby I
Need to see you and feel you next to me
I provide everything you need and I
Like your smile I don't wanna see you cry
Got some questions that I gotta ask and I
Hope you can come up with the answers cause

Boy... it's easy to love me now
Would you love me if I was down and out?
Would you still have love for me?
Boy... it's easy to love me now
Would you love me if I was down and out?
Would you still have love?

If I fell off tomorrow would you still love me?
If I didn't smell so good would you still hug me?
If I got locked up and sentenced to a quarter century
Could I count on you to be there to support me
mentally?
If I went back to Newzealand cause my visa ends,
Would you poof and disappear, like some of my
friends?
If I was hit and I was hurt would you be my side?
If it was time to put in work would you be down to ride?
If I had writersblock would you help write my rhymes?
I'm asking questions to find out how you feel inside
In the bed, if I was crazy, would you like that?
If I wrote you a love letter would you write back?
Now we can have a lil' drink, you know a Nightcap
And we can go do what you like, I know you like that
cause

Boy... it's easy to love me now
Would you love me if I was down and out?
Would you still have love for me?
Boy... it's easy to love me now
Would you love me if I was down and out?
Would you still have love for me?

Are you mad 'cause I'm asking you 21 questions?
Are you my soulmate? 'Cause if so, boy you're a
blessing
Do you trust me enough, to tell me your dreams?
I'm staring at you tryna figure how you got in them
jeans
If I was down would you say things to make me smile?
I treat you how you want to be treated, just teach me
how
If I was with some other boy and someone happened to
see
And when you asked me about it I said "It wasn't me"
Would you believe me?
Or up and leave me?
How deep is our bond?
If that's all it takes for you to be gone
We only humans boy we all make mistakes
To make it up I do whatever it take
I love you like a fat kid loves cake
You know my style
I'll say anything to make you smile

Boy... it's easy to love me now
Would you love me if I was down and out?
Would you still have love for me?
Boy... it's easy to love me now
Would you love me if I was down and out?
Would you still have love for me?

Could you love me in a Bentley?
Could you love me on a bus?
I got 21 questions and they all about us
Could you love me in a Bentley?
Could you love me on a bus?
I got 21 questions and they all about us
