When I try to sleep at night
Premonitions haunt my sight
Visions flash before my eyes
Swear to God I tell no lies
People say that I'm insane
Premonitions on my brain
Illusions, visions that ain't there
Prisoner in my own nightmare

Premonition, premonition
Pass before my eyes
Premonition, premonition
Swear to God I tell no lies

Fear of dying, I'm so afraid
I wake up screamin' in the night
Endless darkness, strange cries
Feel my body slowly die
So caught up in doubt, confusion
Bad dreams, strange illusions
Slowly going around the bend
I can see my life's end
Premonition, premonition
Pass before my eyes
Premonition, premonition
Swear to God I tell no lies

Unseen hand lifts the veil
To the things that are to be
As no into the future
Man is allowed to see

When I try to sleep at night
Premonitions haunt my sight
Visions flash before my eyes
Swear to God I tell no lies
People say that I'm insane
Premonitions on my brain
Illusions, visions that ain't there
Prisoner in my own nightmare

Premonition, premonition

Pass before my eyes
Premonition, premonition
Swear to God I tell no lies
