I've been waiting so long
I don't know where I belong
I've been wandering down this winding road
Hoping some day I'd be home

All I've learned and all I know
I'm back 2 the feeling, I fin'lly know
All the pain and all the tears
I'm back, yes I'm back 2 the feeling

Years I've spent in a daze
All the truth seems so far away
Always play the sentimental fool
Now there is something I must do

All I've learned and all I know
I'm back 2 the feeling, I fin'lly know
All the pain and all the tears
I'm back, yes I'm back 2 the feeling

I'm back 2 the feeling
I've found the road I must go

All I've learned and all I know
I'm back 2 the feeling, I fin'lly know
All the pain and all the tears
I'm back, yes, I'm back 2 the feeling
