I never trust a lover, but I believed in you
and it hurts to uncover all your lies
Anger and frustration, you took me by surprise
But I won't let you get away with it

Don't look over your shoulder
Cause I'm only one step behind you!

I am dangerous
I've got murder on my mind
I am dangerous
and I know that I've been blind

How long did you fake it, now that I wanna know
But how can you deny you done me wrong?
Oh, I will break your bones the way you broke my heart
I'll slowly grind them into dust

Don't look over your shoulder
Cause I'm only one step behind you!

I am dangerous
I've got murder on my mind
I am dangerous
and I know that I've been blind

I got a one track mind and I'm comin' after you, yea,
yea, yea!

Don't look over your shoulder
Cause I'm only one step behind you!

I am dangerous
I've got murder on my mind
I am dangerous
Cause I know that I've been blind

I am dangerous
I've got murder on my mind
I am dangerous
Cause I know, yes I know that I'm comin' after you...

So don't you turn around, no, no!
