I've been around a long time,
But still u don't know I exist
I'm the 1, the only 1,
The saviour u've been waiting 4
& I'll ride on till my time has finally come
When I finally see the dawn, & on & on
Years gone by, I've learned 2 defy
Till I get what is mine
Sing the song, I'll carry on,
The saviour u've been looking 4
& I'll be strong I won't ever come undone
Till I finally see the dawn & on & on...
(Chorus:)
Hell in paradise (paradise)
Ive more than paid the price (pleasure in disguise)
Id try 2 educate u but u'd never understand
Hell in paradise (paradise)
This is my way of life (pleasure in disguise)
Heaven help the madman
(Solo)
& I'll ride on till my time has finally come
When I finally see the dawn, & on & on
Hell in paradise (paradise)
Ive more than paid the price (pleasure in disguise)
Id try 2 educate u but u'd never understand
Hell in paradise (paradise)
This is my way of life (pleasure in disguise)
Ill say it again & again & again & again, Im taking u 2
Hell in paradise (paradise)
Make u lose your mind (nothing's hard 2 find)
Heaven help the madman
