I know what you're doin' the truth's in your eyes
U exist just 2 ruin it's no surprise
U took a man from his fam'ly, U have no regrets
Devil's smile on your face, but no1 4gets

Now you're sayin' things that nobody really, really
wants 2 hear
& when push comes 2 shove, who will bow 2 your
savior-faire?

Same old tale
It's like love 4 sale
& as you're here 2day
U'll B gone 2day

Your love was like the blind leading the blind
U played him out like a tool, but U didn't mind
All the treasures U've found were merely fool's gold
& your ass won't easily B kissed when you're gray &
old

Primadonna gone bad & U won't be the last
& as long as it took 2 get up the fall is much 2 fast
Cuz U got the prize, name in lights, full drama queen
But U haven't earned the regard that U will need

Same old tale
It's like love 4 sale
& as you're here 2day
U'll B gone 2day

The truth's in your eyes & written thruout your face
While you're here & gone there's another, who'll take
your place?

Same old tale
It's like love 4 sale
& as you're here 2day
U'll B gone 2day

Love is blind

Baby nevermind
Cuz as you're here 2day
U'll B gone 2day
