Surrender to desire is all you need to know
Tomorrow may not come again
Succumb 2 my desire is all you need to feel
You'll never know what could have been

Tie me up, tie me down
Trade your words for actions now
Walk your talk, round the clock, till I pop, don't you stop
Don't forget my fav'rite sound

Ain't lookin' for a true situation
But still you're the only one
Your bliss is my delight, I'm gon' let you in
Mama, let's begin

Surrender to desire is all you need to know
Tomorrow may not come again
Succumb 2 my desire is all you need to feel
You'll never know what could have been

Whatcha need, whatcha got?
So inviting when your skin's so hot
Like a pill, for your thrill, as you please, as you will
Work it till I hit that spot

I'm blinded by the light of your energy
Breathing through your raw design
I only wanna color your XTC
Mama, let's begin

ÃfÃ^ ora di entrare
ÃfÃ^ ora di farla il mio

This allegation IÃfÃ^™ m willed to confess
My lust been watching you a long, long time
Well I just canÃfÃ^™ t help it, I just wanna melt with
you
I wanna start from the bottom, baby
I wanna grind you to the groove, I wanna color your
XTC

I'm blinded by the light of your energy

Breathing through your raw design
Your bliss is my delight, I'm gon' let you in
I said, "Mama, ooh mama, let's begin"

Surrender to desire is all you need to know
Succumb 2 my desire is all you need to feel
Surrender to desire is all you need to know
Succumb 2 my desire is all you need to feel
