ItÂ's only a matter of time

Trust me IÂ'm about to lay this out, IÂ'm about to lay you down, And then IÂ'll break you down, But then IÂ'll turn you on, But I can put you out, ItÂ's only a matter of time.

ItÂ's only a matter of time, Until we get where we belong, ItÂ's only a matter of time, Until you prove yourself wrong,

Just donÂ't try to be the best thing in my life, IÂ'll lay this out, so take this down, And keep this as a reminder to remind you, YouÂ've got everything that you need.

If you think youÂ've changed anything then youÂ're wrong.

But maybe you missed the point,
Maybe you saw my poise but skipped the reason,
Was it a distracting conversation for you?
Or did you just not want to listen?
I bet youÂ're burning with ambition.
Looks like I turned you on, but I can put you out,
ItÂ's only a matter of time.

You want it all, weÂ've had enough, bring on the fire!
