Can we run that again  
Is that a woman's voice I hear?  
I said, "Let's wait and see. I'll see for myself"  
That's a phrase I repeat  
To myself  
Made a reference to me and  
That's myself too

What progress I have made the first week  
First Week  
First Week  
First Week

Every sentence I use  
Refer to women and their names  
I heard the voice first last week  
I heard it myself  
Made a reference to me  
That's myself  
This report's incomplete  
I see for myself

Every appointment has been moved to last week  
Last Week  
Last Week  
Last Week

Oh...  
Ah...  
Oh...

I heard the voice first last week  
I heard it myself  
Made a reference to me  
And that's myself  
This report's incomplete  
I see for myself

Every appointment has been been moved to last week  
Last Week  
Last Week  
Last Week

Oh...

Ah...

Oh...
