In...my...sensations
I believe that i...was
Born with the things that I know
I want...to talk...
Like ev'ry
Before I decide what to do

And I fell all over and i
Couldn't stand up
I can't be critical
I can't won't stop
Such a happy day
For me
Bring a happy day
To me
Send a happy day
To me
And a happy day
Came to me come to me here it come...

I'm...only...looking
Feel like my heart
Has a will of it's own
I feel...feel nice inside
Right here
And now it's...summer again

The story that I told
The story I made up
I was foolin' around but i
Can't won't stop
Such a happy day
For me
Bring a happy day
To me
Send a happy day
To me
And a happy day
Come to me, come to me, here it come...

This...boy...is in motion
Some density

Moved right beside me
I want
My sentence
Right here
But now I'm far away

A sign was given but
Many years have passed
Cost a little bit to love you but i
Won't can't stop
Such a happy day
For me
Bring a happy day
To me
Send a happy day
To me
And a happy day
Came to me come to me here it come...

It's alright
