Everyone is trying to get to the bar
The name of the bar
The bar is called heaven

The band in heaven
They play my favourite song
Play it one more time
Play it all night long

Oh heaven
Heaven is a place
A place where nothing
Nothing ever happens

Heaven
Heaven is a place
A place where nothing
Nothing ever happens

There is a party
Everyone is there
Everyone will leave at exactly the same time

When this party's over
It will start again
It will not be any different

It will be exactly the same

Oh heaven
Heaven is a place
A place where nothing
Nothing ever happens

When this kiss is over
It will start again
It will not be any different
It will be exactly the same

It's hard to imagine
That nothing at all
Could be so exciting

Could be this much fun

Oh heaven
Heaven is a place
A place where nothing
Nothing ever happens

Heaven
Heaven is a place
A place where nothing
Nothing ever happens
