I want to live, to feel a face  
That isn't there  
I want to live  
I roll over and you're not there  
I'm only standing on the shore

I had some friends but I want more mmmmm

I see the future and it's all mine  
Want to be perfect, I'm taking my time  
I'll try not to act like I'm so far away  
I try to be right in whatever I say  
Deeper feelings recur again & again & again & again  
A complex spiral leads me to spin...  
I want to live  
To see the earth turn one more time  
I wanna live  
To feel a hand that isn't mine  
I'm only standing on the shore  
I had some fun but I want more  
I'll try not to act like I'm so far away  
I try to be right in whatever I say  
Deeper feelings recur again & again & again & again  
A complex spiral leads me to spin...  
Mmmm...
