One, two
One, two, three, four

I was born in a house with the television always on
Guess I grew up too fast and I forgot my name
We're in cities at night and we've got time on our hands
So leave the driving to us and it's the real thing

And you're rolling in the blender with me
And I can love you like a color TV

And now love is here, c'mon and try it
I got love for sale, got love for sale
And now love is here, c'mon and try it
I got love for sale, got love for sale

You can put your lipstick all over my designer jeans
I'll be a video for you, if you turn my dial
You can cash my check if you go down to the bank,
down at the bank

You get two for one, for a limited time, a limited time

Push my button, the toast pop's up
Love and money, gettin' all mixed up

Oh now love is here, c'mon and try it
I got love for sale, got love for sale
And now love is here, c'mon and try it
Got love for sale, I got love for sale

Oh love is here, c'mon and try it
Love for sale, I got love for sale
Oh now love is here, c'mon and try it
Oh I got love for sale, I got love here for sale
Oh now love is here, c'mon and try it
I got love for sale, I got love, love
Love, love, love, love, love, love
Oh
