It's not, yesterday, anymore  
I go visiting and I talk loud  
I try to make myself clear  
In front of a face that's nearer

Than it's ever been before  
Not this close before  
Nearer than before  
Not this close before

It is, is a million years ago  
I hear music and it sounds like bells  
I feel like my head is high  
I wish I could meet, every one

Meet them all over again  
Bring them up to my room  
Meet them all over again  
Everyone's up in my room

And now, now I'm busy, busy again  
I feel like sitting down but  
I'm still thinking, thinking about my friends  
In my garden moments

But now I'm speaking out  
Speaking about my friends  
Now I'm speaking out  
Thinking about my friends
