You may find yourself living in a shotgun shack
And you may find yourself in another part of the world
And you may find yourself behind the wheel of a large
automobile
You may find yourself in a beautiful house, with a
beautiful wife
You may ask yourself, "Well, how did I get here?"

Letting the days go by, let the water hold me down
Letting the days go by, water flowing underground
Into the blue again, after the money's gone
Once in a lifetime, water flowing underground

And you may ask yourself, "How do I work this?"
And you may ask yourself, "Where is that large
automobile?"
And you may tell yourself, "This is not my beautiful
house"
And you may tell yourself, "This is not my beautiful
wife"

Letting the days go by, let the water hold me down
Letting the days go by, water flowing underground
Into the blue again, after the money's gone
Once in a lifetime, water flowing underground

Same as it ever was, same as it ever was, same as it
ever was
Same as it ever was, same as it ever was, same as it
ever was
Same as it ever was, same as it ever was

Water dissolving and water removing
There is water at the bottom of the ocean
Under the water, carry the water
Remove the water from the bottom of the ocean
Water dissolving and water removing

Letting the days go by, let the water hold me down

Letting the days go by, water flowing underground
Into the blue again, into the silent water

Under the rocks and stones, there is water
underground

Letting the days go by, let the water hold me down
Letting the days go by, water flowing underground
Into the blue again, after the money's gone
Once in a lifetime, water flowing underground

You may ask yourself, "What is that beautiful house?"
You may ask yourself, "Where does that highway go
to?"
You may ask yourself, "Am I right, am I wrong?"
You may say to yourself, "My God! What have I done?"

Letting the days go by, let the water hold me down
Letting the days go by, water flowing underground
Into the blue again, into the silent water
Under the rocks and stones, there is water
underground

Letting the days go by, let the water hold me down
Letting the days go by, water flowing underground
Into the blue again, after the money's gone
Once in a lifetime, water flowing underground

Same as it ever was, same as it ever was
Same as it ever was, look where my hand was

Time isn't holding up, time isn't after us
Same as it ever was, same as it ever was
Same as it ever was, same as it ever was
Same as it ever was, same as it ever was
Same as it ever was, hey let's all twist our thumbs
Here comes the twister

Letting the days go by
Letting the days go by
Once in a lifetime
Let the water hold me down
Letting the days go by
