Well, we know where we're goin'  
But we don't know where we've been  
And we know what we're knowin'  
But we can't say what we've seen

And we're not little children  
And we know what we want  
And the future is certain  
Give us time to work it out

We're on a road to nowhere  
Come on inside  
Takin' that ride to nowhere  
We'll take that ride

I'm feelin' okay this mornin'  
And you know  
We're on a road to paradise  
Here we go, here we go

We're on a ride to nowhere  
Come on inside  
Takin' that ride to nowhere  
We'll take that ride

Maybe you wonder where you are  
I don't care  
Here is where time is on our side  
Take you there, take you there

We're on a road to nowhere  
We're on a road to nowhere  
We're on a road to nowhere

There's a city in my mind  
Come along and take that ride  
And it's all right, baby it's all right

And it's very far away  
But it's growing day by day  
And it's all right, baby it's all right

Would you like to come along?  
And you could help me sing this song  
And it's all right, baby it's all right

They can tell you what to do  
But they'll make a fool of you  
And it's all right, baby it's all right

There's a city in my mind  
Come along and take that ride  
And it's all right, baby it's all right

And it's very far away  
But it's growing day by day  
And it's all right, baby it's all right

Would you like to come along?  
You could help me sing this song  
And it's all right, baby it's all right

They can tell you what to do  
But they'll make a fool of you  
And it's all right, baby it's all right

We're on a road to nowhere  
We're on a road to nowhere  
We're on a road to nowhere  
We're on a road to nowhere
