O--h, O--h, she's my neighbour  
Fill my cup, I'll bet you baby  
She could fill it up  
She put the sugar on my tongue  
She's gonna gimme gimme gimme some

She gonna put that sugar on my tongue  
She's gonna gonna gimme gimme gimme some  
She'll put it right there on my tongue  
Put it right there on my tongue

Sweet sweet, lover lover  
Never never never find another  
To put sugar on my tongue  
Gimme gimme some some

She put the sugar on my tongue  
She's gonna gimme gimme gimme some  
She put it right there on my tongue  
Put it right there on my tongue

I've been waiting years and years  
Finally I see that you appear  
My friends are here, and they ask of me  
'Is this the time that we're gonna see  
Her put the sugar on your tongue'

She's gonna put the sugar on my tongue  
She's gonna put the sugar on my tongue  
She's gonna gimme gimme some  
She put it right there on my tongue  
Put it right there on my tongue

Sugar on my tongue  
Yippee yippee yum yum ! goodie goodie gum drop !

She's gonna put the sugar on my tongue  
She's gonna put the sugar on my tongue  
She's gonna gimme gimme some  
She put it right there on my tongue  
Put it right there on my tongue
