I see the shapes,  
I remember from maps.  
I see the shoreline.  
I see the whitecaps.  
A baseball diamond, nice weather down there.  
I see the school and the houses where the kids are.  
Places to park by the fac'tries and buildings.  
Restaunts and bar for later in the evening.  
Then we come to the farmlands, and the undeveloped  
areas.  
And I have learned how these things work together.  
I see the parkway that passes through them all.  
And I have learned how to look at these things and I  
say,

(CHORUS)

I wouldn't live there if you paid me.  
I couldn't live like that, no siree!  
I couldn't do the things the way those people do.  
I couldn't live there if you paid me to.

I guess it's healthy, I guess the air is clean.

I guess those people have fun with their neighbors and  
friends.  
Look at that kitchen and all of that food.  
Look at them eat it' guess it tastes real good.

They grow it in the farmlands  
And they take it to the stores  
They put it in the car trunk  
And they bring it back home  
And I say ...

(CHORUS)

I say, I wouldn't live there if you paid me.  
I couldn't live like that, no siree!  
I couldn't do the things the way those people do.  
I wouldn't live there if you paid me to.

I'm tired of looking out the windows of the airplane  
I'm tired of travelling, I want to be somewhere.  
It's not even worth talking  
About those people down there.
