Wait, wait for the moment to come  
Stand up, stand up and take my hand  
Believe, believe in mystery  
Love love love love is simple as 1-2-3

I'm a know-it-all, I'm smartest man around  
That's right, you learn real fast through the smartest  
girl in town  
Here come a riddle, here come a clue  
If you were really smart, you'd know what to do  
When...

Jump back, sit back, get back, relax  
It's ok  
I've called in sick I won't go to  
Work today  
I'd rather be with the  
One I love  
I neglect my duties, I be in trouble but

I've been to college, I've been to school  
I've met the people that you read about in books  
Here come a riddle, here come a clue  
If you were really smart you'd know what to do when I  
say  
Jet pilot gone out of control, ship captain on the ground  
Stock broker make a bad investment when love has  
come to town

Where, where is my common sense?  
How...did I get in a jam like this?  
Believe, I believe in mystery  
Love, love love love is simple as 1-2-3

Here come a riddle, here come a clue  
If you were really smart, you'd know what to do when I  
say  
Why am I going out of my head, whenever you're  
around?  
The answer is obvious, love has come to town
