Warning sign, warning sign,
I see it but I pay it no mind.
Hear my voice, hear my voice,
It's saying something and I hope you're concentrating
I've got money now, I've got money now,
C'mon baby, c'mon baby.

Warning sign of things to come (take it over, take it over)
Someone's talking on my telephone (when we're older, when we're older)
Hear my voice, move my hair.
I move it around a lot, but I don't care. (what I remember)

Warning sign, warning sign,
Look at my hair, I like the design.
It's the truth, it's the truth.
Your glassy eyes and your open mouth
Take it easy, take it easy,
It's a natural thing and you have to relax,
I've got money now, I've got money now.
C'mon baby, C'mon baby.
Warning sign, of things to come (turn me over, turn me over)
Love is here but I guess it's gone now (hurry up babe, hurry up babe),
Hear my voice, move my hair.
I move it around a lot, but I don't care.

Do you remember
What it is that you remember
Baby remember
Baby remember.
