I'm wearin' my fur pyjamas  
I ride a hot potato  
It's tickling my fancy, speak up, I can't hear you  
Here on this mountaintop, I got some wild, wild life  
I got some news to tell ya about some wild, wild life  
Here comes the doctor in charge, she's got some wild,  
wild life  
Ain't that the way you like it, living wild, wild

I wrestle with your conscience  
You wrestle with your partner  
Sittin' on a window sill but he spends time behind  
closed doors  
Check out Mr. Businessman, he bought some wild, wild  
life  
On the way to the stock exchange, he got some wild,  
wild life  
Break it up when he opens the door, he's doin' wild,  
wild life  
I know that's the way you like it, living wild, wild  
Peace of mind, it's a piece of cake  
Thought control, you get on board anytime you like

Like sittin' on pins and needles, things fall apart, it's  
scientific

Sleeping on the interstate, getting wild, wild life  
Checkin' in, a checkin' out, I got a wild, wild life  
Spending all of my money and time, done too much  
wild, wild life  
We wanna go, where we go, where we go, I doing wild,  
wild life  
I know it, that's how we start, got some wild, wild life  
Paint a picture of me in the daylight, and it's a wild,  
wild life  
You've grown so tall, you've grown so tall, wild, wild  
I know that's the way you like it, living wild, wild, wild,  
wild, life
