I'll never be the same, breaking decency
Don't be tree trunk, don't fall on my living roots
I've been humming too many words got a weak self-esteem
That's been stomped away from every single dream
But it's something else, that brought us feaze
Keep it all inside, until we feel we can't unleash
I think that you made it up, I think that your mind is gone
I think you shouldn't glorified, now your wrong

Suck, suck, suck, suck
Suck, suck, suck, suck
Suck, suck, suck, suck
They fuck with my head
Suck, suck, suck, suck, suck
Suck, suck, suck, suck, suck
Suck it, bitch!

You and me are here alone face flat along the edge of the glass
But I'm not here to preach, I'm just sick of thugs
My parents made me strong to look up that glass
So why should I try? Act like I'm a little pissed off
With all that shit that needs to stay back in the shell
Your fuck ass made it up ah, your fucking mind was gone
Should've never glorified, now your right

Suck, suck, suck, suck
Suck, suck, suck, suck
Suck, suck, suck, suck
They fuck with my head

Suck, suck, suck, suck, suck
Suck, suck, suck, suck, suck
Suck it, bitch!

Because you don't know me, shut up you don't know me
Squeal like a pig when you big fuckin', big fuckin'
Aappee!

Well I'll tell you about my smoke stack
What's coming back jack we'll turn back
Curse for in their words, tell them that you fucking
heard
I mean, they know that's what's coming, nigga
I thinking 'bout something naughty, and won't tell
anybody
So thinking of me by now but you go grab it
I'd like to think, for who I down this shit, I belong where
they be
'Cause we can not get back those lives

We exist to cease, understand
God hates blacks shades and all the players
Mr. P.I.G. 'cause I fuckin' see
Sure already done crushed, all of my brothers dignity
And to the jury, can't be no turns on my skin looks
colored
Does that mean I'm burnt? 'Cause your fuck ass made
it up
Your fuckin' mind was gone should've never glorified,
wrong

Suck, suck, suck, suck
Suck, suck, suck, suck
Suck, suck, suck, suck
They fuck with my head
Suck, suck, suck, suck, suck
Suck, suck, suck, suck, suck
Suck you bitch!
Bye
