For a thousand days  
You've been staring away  
Are you faint?  
Are you thinking?

Crack a smile and wink  
It doesn't scare me away  
Hit the brakes  
I feel like cruising with you too

So I gaze  
In your eyes  
And I wonder  
Can you take me up?

Your haze  
That I'm under  
Come and wake  
Me up soon

Take a bow and wave  
As we carry away  
It was great  
But I'm not leaving

Crack a smile and wink  
It still doesn't scare me away  
Hit the brakes  
I feel like cruising with you too

So I gaze  
In your eyes  
And I wonder  
Can you take me up?

Your haze  
That I'm under  
Come wake  
Me up

For a thousand days  
We could get carried away

Are you in?  
Are you in?  
Are you in?

I'd give anything  
I'd give anything for you

So I gaze  
(In your eyes)  
And I wonder  
Can you take me up?

Your haze  
That I'm under  
Come wake

So I gaze  
(In your eyes)  
And I wonder  
Can you take me up?
