I'd meet you in wrong  
Bury all then I would be right with her  
In whole, cherished by two

It makes you fly, yes I'll lie  
God I'll even lick her fuckin' picture  
In whole, drinks won't stain this birth

It's just me, I'm born  
Carried, loved, now I could be right with her  
In whole, cherished by two

It makes you fly, yes I'll lie  
Drink one more so I could go right in her  
In whole, drinks won't stain this birth

It makes you fly  
It makes you fly  
It makes you fly  
It makes you fly  
In spite I want to lie  
In spite I will lie

In spite I still lie  
In spite I still lie  
In spite I still lie  
In spite
