i can't breathe and arrive  
with style  
i'm still a sucker  
feeding it pills  
with wine, it's tricky how  
i'm pushin you back but still you ain't gone  
pushing you back but still you ain't gone  
pushing you back but still you ain't gone  
it makes some sense look  
i can't breathe and her eyes are dry  
but still i will fuck her to keep alive  
plus my arms are still broke  
but watch me  
push you back but still you ain't gone  
(go)  
pushing you back but still you ain't gone  
pushing you back but still you ain't gone  
it makes so much sense oh g-d  
she's gone  
gone  
gone  
it's so sad  
wait up  
i'm a wait right here  
right here  
it's just gonna wait for me right here

it's funny how it goes  
think i'll... sometimes...  
yes to all the fuckin world  
one minute  
one minute ago  
there's just one minute ago  
i remember  
i was all that  
gone  
say you ain't still  
gone  
gone  
gone  
gone  
i can't breathe and arrive

with my style  
so watch you watch me  
fuck her just one more time  
wait till my arms heal and i'll  
push you back but still you ain't gone  
pushing you back but still you ain't gone  
pushing you back but still you ain't gone  
i'll fuckin push hard  
pushing you back but still you ain't gone  
pushing you back but still you ain't gone  
pushing you back but still you ain't gone  
it makes no fuckin sense
