This time i think you pointed right at you  
Whose side are you on  
Whose side are you on  
I ask you what side, you pointed it out  
What side are you on  
What side are you on

A waste of time  
If you don't believe  
Can't decide to  
Hit the ground  
Make your mind  
But you're holding me down  
And over again  
Down  
And over again  
Down

This time i think you pointed right at you  
Whose side are you on  
Whose side are you on  
I ask you what side, you pointed it out  
What side are you on  
What side are you on

A waste of time  
If you don't believe  
Can't decide till you've  
Hit the ground  
Make your mind  
Or you dont believe

Can't decide till you  
Hit the ground  
Make your mind  
Cause you're holding me down  
Down  
And over again  
Down  
And over again  
Down  
And over again

And dont think that i dont know  
Because i do, nice try,  
Cause thats what your really like, like, like, like...

This all came out, you said,  
Say something else.  
Decide, who's side you're on.

Who's side are you on?  
Who's side are you on?  
Come on!  
Who's side are you on?  
Who's side are you on?

Who's side are you on?  
Who's side are you on?  
Who's side are you on?  
Who's side are you on?

Who's side you on?
