When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

You like attention
It's proof to you, you're alive
Stop parading your angles
Confused?
You'll know when you're ripe

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

You're pregnant
With all this space
Thick with honey
But I lost my taste

You're into depression
'Cause it matches your eyes
Stop the fool to be famous
Confused?
You'll know when you're ripe

When you're ripe

You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

You're pregnant
With all this space
Thick with honey
But I lost my taste

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

You're pregnant
With all this space
Thick with honey
But I lost my taste

You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control

When you're ripe
You'll bleed out of control
You'll bleed out of control
