And watch it roll real close rolling out my hand 'til
It cracks to that fucking dome Living off the curb
That peels you from the curb I lick the rest off
Do you dig many in '93 been making them fools 'bout
Round bumping around me you'll want to run from
Underground at the best walk the live from
The verb on the beats I won't see you fuckin' head

Peers I flow
And mother she
Won't drain herself
And won't be caught in
All live in a big world
