Oh, I try  
They can't say I didn't try  
I waited by a small child  
Oh, Tried to leave her  
When she says I'll never love again  
I wave my head in shame  
In memories  
And more

This love, I share  
I share it, with you  
Drunken  
Water, Water

Please stay  
I wanna love again  
Only  
Feeling stuck  
Into my shallow public choice  
I wave my head in shame  
In memories  
What for?

This love, I share  
I share it, with you  
Drunken  
Water, Water

Stop sittin' and passin' on everything that I'd ever do

It's not worth to, yeah

I paid the chance rest by you  
Oh, tell again

This love, I share  
I share it, with you  
Drunken  
Water, Water  
Oh

Stop sittin and passin on everything that I'd ever do

It's not worth to

I made the chance right by you

Oh.. Oh Oh!!

So tired of lettin go

So tired of lettin go and check

So tired of lettin go

I'm so tired

It's so alright

Alright
