Hey y'all  
I'm marryin' that girl  
With the pain and don't lie  
Liquify your meaning  
But you wont  
Tell her you miss her  
(she's sleeping? )

And I turn ...  
And you go  
But it tastes like her

Dont tell her you love her  
Shes with me  
I know you ( ? ? ? ? ? ? ? ? ? ? ? ? ? ? ? ? )  
I wont tell her I miss her  
(she's not feeling sore? )

'cause I turn.....  
And your so...  
But it tastes like mud

But why don't you hate me  
But thats ok 'cause I hate you too  
I'm leaving here  
And you won  
Shut the fuck up!!

( ? ? ? )  
Leavin tomorrow  
(you might be that girl? )  
Leave to mud  
Your my girl  
Even God needs ....

A girl...  
In soul  
But it tastes like mud!

But why don't you hate me  
But thats ok 'cause I hate you too  
Im leaving here

And you won  
Shut the fuck up!!!

Leave it to god  
You were a girl  
Leave it to god  
He might be a girl  
Leave it to god  
To find a girl.
