They paint the streets in white  
Death is the standard breach for a complex prize  
I think it's sweet of you and your parents are proud  
But I would expect it from anyone  
Now to protect life's indigenous sound

How the streets they swell  
While the animals make their way through the crowds  
If you keep listenin' you can hear it for miles  
God I trust everyone quicker with every faint smile

And the crowd goes wild and the camera makes you  
see sick  
God is so sweet of you and I know you're proud  
And the car bomb hits quick click, faint smile  
It's the same sound it's the same same sound

And the crowd goes wild and the camera makes you  
see sick  
God it's so sweet of you and you know I'm proud  
And the car bomb tick ticks with the same sound  
It's the same sound  
With the same sound
