skinny double overgrowing  
plastic sliding down your back  
i change you  
youre the reason that my mother lost a bunch of bills  
so why do something cause of money  
those will be the words i say  
well i guess and all there you go  
then hear the way it comes in place  
animals and spiders  
scary mary thoughts i dont know why  
maybe cause i have no sense of  
if to do of wrong or right  
im a mix of all the fools  
who take the fear from all of us  
when no one in the world today  
has any will to not die

stay  
ill stay  
and im here  
and im here  
here

screw the other bands

they junky chillin  
nor they have no shame  
whos the one that give  
them what I swear to god  
it was unfair  
razor blazor shave my eyes  
and make me what I am today  
cloudy brims of liquid  
have no business in my perky stay  
handy sticks  
they chip my legs  
they do no good  
they just do harm  
i turn the rage of other men  
and made me out a better person  
who the fucks to blame  
you see or if I knew

id sue the person  
the ones that made me  
this crazy selfless citizen

stop  
stop  
stop

shine out to be a lie  
whats one know
