Can you explain to me how
You're so evil, how?
It's too late for me now
There's a hole in the earth
(Hole in the earth)
I'm out

There's a hole in the earth
(Hole in the earth)
I'm out

Can you explain to me now
If you're still able whilst?
I think you know the truth
There's a hole in the earth
(Hole in the earth)
I'm out

I hate all of my friends
They all accept our time
There's a hole in the earth
(Hole in the earth)
I'm out
There's a hole in the earth
(Hole in earth)

Let's think about
This is the end, somewhere
This is the end, somewhere

There's a hole in the earth
(Hole in the earth)
There's a hole in the earth
(Hole in the earth)
I hate all of my friends
I'm out

There's a hole in the earth
In the earth somewhere
