And you moved away  
New cavity moved into  
My heart today  
The more I sing  
The more it seems

Now...  
Now I'm through  
With a new you  
Now I'm through  
With a new you  
New...you...

I drove you home  
Then you moved away  
New cavity moved into  
My heart today  
And the more she screams  
The more it seems

Now...I'm through  
Now I'm through  
With a new you  
Now I'm through  
With a new you  
Now I'm through  
With a new you  
Now...you...through  
Uh uh uhuhuhuuu
