When she sings it's over Such a strange numb And it brings my knees to the earth

And God bless you all For the song you saved us...

You're the same...numb
When you sing it's over
Such a strange numb
It could bring back peace to the earth

So God bless you all For the song you saved us...oh... For the hearts you break, everytime you moan...

I get all...numb
We're the same numb
And it brings our knees to the earth

So God bless you all For the song you saved us..oh... For the hearts you break, everytime you moan And God bless you all on the earth...
