My knife it's sharp and chrome
Come see inside my bones
All the fiends are on the block
I'm the new king, I taste the queen
In here we are all anemic
In here anemic and sweet, so

Go get your knife, go get your knife
And come in
Go get your knife, go get your knife
And lay down
Go get your knife, go get your knife
Now kiss me

I can float here forever
In this room we can't touch the floor
In here we're all anemic
In here anemic and sweet, so

Go get your knife, go get your knife
And come in
Go get your knife, go get your knife
And lay down
Go get your knife, go get your knife
Now kiss me

I can float here forever
In this room
I can float here forever
[Incomprehensible]

Go get your knife, go get your knife
And come in
Go get your knife, go get your knife
And lay down
Go get your knife, go get your knife
Can fill me
Go get your knife, go get your knife
And kiss me
