Watch me with your eyes
Been giving God, a pedophile
I want to be just like you
Then I'd be cool, maybe not
But we lift our eyes
Big surprise, kiss me goodbye, whore

Without you being here
I'd be giving fear, a bit more
I wish I could feel like you
When I fuck like you, feelin' sore
But, we lift our eyes
Big surprise, kiss me goodbye
(Surprise)
(Kiss me)

That make it more that you work for
Every knuckle wiped into her
I know, you fucking monster
(Know you fucking monster)
I will never get what I want
(Inside of her)

And this gift of mine
Resing, restring, unwind
Eyes are closed
A part of me gets pissed
A part of me gets sore
A part of me gets pissed
A part of me gets sore
A part of me gets pissed
A part of me gets sore

(And it makes it)
More that you work for
(More)
Every knuckle wiped into her
I know you fucking monster
(Know you fucking monster)
I will never get what I want
(Inside of her)

(A part of me gets sick)
Sick
(A part of me gets sore)
Sore
(A part of me gets sick)
Sick
(A part of me gets sore)
Sore
(A part of me gets sick)
A part of me gets so fucking sick, ho
